You know you are referring a company that will take great care of your contacts, which will result in a stronger relationship between you and them.
- **Delighted clients**
Clients will be delighted by the level of service, follow-up and care that OCD provide, enabling them to concentrate on what they are great at and whilst letting us improve the effectiveness of their I.T. on a daily basis.

HOW IT WORKS

For every support agreement arranged with a contact you refer, one agreement voucher will be supplied to claim your reward.

1 agreement — Wine for a year or a Spa day for two

2 agreements — Toshiba laptop or Lunch on the Orient Express

3 agreements — A holiday for two

If you want to aim for 2 or 3 agreement rewards, simply hold on to your voucher until you reach the required number and cash them in at the same time.

Full details of all rewards are available on request.

WHO SHOULD YOU REFER?

Examples of people you could refer to OCD:

1. Your clients
2. Your Suppliers
3. Your Professional Advisors
4. Friends or Family with their own business or that work in other businesses.
5. Friends in your social circle, or clubs you frequent, i.e. squash etc

All of these people could benefit from all that OCD provides.

By recommending OCD to your clients, you remove another headache from business owners, management and staff. It's a recommendation that will be truly appreciated as you'll be helping them work on their organisation instead of in it.
